DEDHAM NURSERIES, INC.

(Formerly R. & J. Farquhar Co. Nurseries)

Elm Street

Dedham, Mass.

935
SECOND PRINTING

Liquidation Sale . . .

PRICE LIST

FINANCIAL conditions have forced creditors of the R. & J. Farquhar Company to take over the nursery stock, which is now offered to the public at extremely low prices in an Absolute Liquidation Sale.

All of the evergreens, shrubs, vines, trees and perennial plants in this price list are the true Farquhar quality. In fact, the plants were grown by Farquhar's nursery for their 1932 trade and are being sold from their old place of business on Elm St., Dedham, Mass., by Dedham Nurseries, Inc.

Under the circumstances, it is impossible to get out a descriptive catalog, but reference to those of other nurseries will describe the plants and also prove our statement that our prices are extremely low. Remember this stock is of the excellent quality maintained by the Farquhar Company during fifty years of painstaking effort and experience.

The response to this sale has been tremendous. You are urged to place your order at once, before the supply is exhausted.

Hardy Perennial Plants

These plants are all true Farquhar quality, and were grown by them for their 1932 trade.

A word about the Mixed Peonies. These are some of the finest varieties in the market, the labels of which became confused during transplanting. They should not be in a mixture, but we cannot wait until blooming time to identify them. They are one of the biggest bargains in the list.

The selection of Phlox contains the very best varieties.

If you are interested in Iris, the items in this list will appeal to you.

Plants indicated by asterisk () are varieties suitable for the Rock Garden*

THE splendid reputation of Farquhar's Nurseries, built up in fifty years of service, is well known. All stock listed here is of excellent quality.

While the passing of the R. & J. Farquhar Company will be deeply regretted by its many thousands of customers, there is some gain in the fact that never before has such fine nursery stock been offered at these low prices.

Inasmuch as the stock will not be replenished as fast as it is depleted, you are urged to send in your order early.

DEDHAM NURSERIES, INC.

Elm Street, Dedham, Mass.
