Price list of

ROCK AND

ALPINE

PLANTS

BROAD STREET, Near Allwood Road

Clifton R. D. No. 1 'Phone Passaic 2-7811

RICHFIELD, N. J.

A very cordial invitation is extended
to all interested to visit our Rock
Garden, designed and constructed
by

RALPH HANCOCK,

Upper Montclair, N. J.

This price list does not cover everything I grow, but only such stock as I have to offer in quantity. I have been adding a number of the choicest plants from European Nurseries, which I will offer as soon as stock is available.

SHIPPING FACILITIES: All plants are forwarded by Express or Parcel Post, the purchaser paying charges. I make no deliveries. For Parcel Post Charges, add ten per cent. extra, to all orders East of the Mississippi and twenty per cent. west of the Mississippi.

REMITTANCES: Should be made by Post Office Money Order, Express Money Orders or drafts on New York Banks. Please send sufficient money with order to cover the whole bill. I decline to send plants collect on Delivery, and disclaim all responsibility when remittances are not made as above directed. A convenient method of remitting for small accounts is in one and two cent postage stamps. Money should not be sent by mail.

PACKING: No charge is made for packing when cash accompanies the order.

HOW TO REACH NURSERY: Express Buses from Paterson to Newark pass the Nursery every twenty minutes. Bus No. 128 starts from Public Service Terminal in Newark, and corner Clark and Market Streets in Paterson.

TERMS: Strictly Cash.

While I may exert the greatest care to have everything true to name I will not assume any responsibility for errors that may occur other than to replace any stock that may prove untrue.

Faithfully yours,

GEORGE L. EHRLE
