U. S. Department of Agriculture.

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock when received, return it and your money will be refunded, including any transportation charges you have paid. We want only satisfied customers.

All orders accepted subject to prior sale. No orders filled that amount to less than \$1.00. Cash must accompany orders for \$5.00 or less. On larger orders, deposit of 25% will hold until April 1st, 1932 at eight times the 100 price, 25 bulbs at the 100 price.

We pay postage or express anywhere in Canada or United States.

You will find that our count is liberal and our extras are worth while.

DISCOUNTS—On orders of \$5.00 to \$10.00, extra bulbs to the amount of 5% of the order; on orders of \$10.00 to \$25.00, 10%; on orders of \$25.00 to \$50.00, 15%; and on orders of \$50.00 and up, 20%.

We will make shipments when we consider the weather conditions favorable but not before January first, unless you request to have shipments made before that date and then only at your own risk. No single item for less than ten cents. No order accepted for less than one dollar.

As to our financial standing, we refer you to the Troutdale State Bank and for our reliability as growers, to Mountain View Floral Nurseries, Inc., both of Troutdale, Ore.

If you are a commercial grower, ask for our wholesale price list.
