Dear Customer:

One-half cash and the Ferns are yours!

We have an excellent stock of Ferns which we are offering to those who have purchased plants of us before on the following attractive basis.

1. Send us your remittance for cash and we will ship you the Ferns immediately. Payment for the balance is to be made by your note, so that we may disburse it at our convenience.

2. Send us a check for one-half the value of your order, and we will ship the Ferns to you immediately. Write us what stock of your own you wish to purchase, the balance due on the order, and the cost per plant. In this case, quote us f.o.b. here. In other words, it is understood that you are to pay the freight charges. Therefore figure the express charges to your satisfaction.
