LOCATION

Manchester is located 40 miles north of Boston, on the Boston and Maine Railroad, with excellent shipping facilities to Boston, New York and the West.

Our shipping season extends from April first to June first and from September first until December.

Terms

Our terms are cash unless otherwise arranged. Buyers desiring credit are requested to furnish references. We allow a cash discount of 2 per cent.

Boxing and packing at cost unless cash accompanies order, and then no charge is made for either.

We stand ready to correct our errors, but only if notified at once upon receipt of stock.

Our responsibility for the condition of stock ends with delivery to the transportation company.

We make no warranty expressed or implied.

Remarks

Our stock receives the same care while being dug and in the process of packing and handling that stock receives in the nursery. The roots are kept covered and moist at all times. Our collectors are experienced men.

We make a specialty of ferns and ship nothing but fresh dug, virile plants.
