PREFACE.

It is perhaps due the Committee and patrons, that some statement be made by the publisher of this book. The unforeseen delays in receiving copy, some of which had to be returned for correction, and the inexperience of workmen in this special kind of bookwork, may have occasioned and left some uncorrected errors, which were unavoidable. Hoping that the book as it is may give general satisfaction, and merit a continuance of your confidence and esteem, I am,

Your Obediant Servant,

W. P. BRUSH.

CALDWELL, MARCH 1 & 2, 1882.

Meeting called to order by S. S. Birchfield, President.

Officers chosen for the ensuing year were, Ben. S. Miller, President, W. E. Campbell and H. C. Manning, Vice-Presidents, and M. H. Bennett, Treasurer.

On motion of W. E. Campbell, John A. Blair was elected Secretary, and W. P. Brush, of the *Kansas City Commercial Indicator*, Tell Walton, *Caldwell Post*, W. B. Hutchinson, *Caldwell Commercial*, T. A. McNeal, *Medicine Lodge Crescent*, Will Eaton, *Cheyenne Transporter*, and Joe Carter, *Hunnewell Independent*, Assistant Secretaries and honorary members of the Association.

The Treasurer, Mr. Bennett, was instructed to provide a register for the names and post-office address of each member, with instructions that such book be used as a reference book by the Association; and, on motion, the membership fee was increased to \$1.00.

The Treasurer, Mr. Bennett, made his annual report for last year as follows:

Receipts from membership fees and advertising for brand book, \$287. On expenditures for brand book of last year, \$181, leaving a balance on hand in the treasury of \$106.

Hon. E. M. Hewins moved that a committee of three take charge of publishing a brand book containing the brands of the Association. Motion adopted and chair appointed M. H. Bennett, Asa Overall and P. Carnegie as such committee.

Mr. Hewins moved that a committee of five be appointed on stock inspection, to appoint and employ an inspector for Kansas City, St. Louis and Chicago, and to report to the convention on Thursday.

E. M. Hewins, A. H. Johnson, W. Timberlake, Ben Garland and J. C. Pryor were appointed.

The following resolution was read by Secretary Blair and unanimously adopted:

Resolved, That the respective pool captains, and executive committees, notify the surrounding pools of any and all persons who have knowingly and willfully turned loose without their consent, or pay, or remuneration therefor, and that if said per-

sons fail to pay, not only their assessments and proportion of the expenses, the established price for wintering cattle to the pool they turn loose with, on or before the 10th of April, 1882, they shall be denied the privilege of gathering cattle with any pool or members of this Association. And that the names of all persons, so refusing to pay, as aforesaid, be published in a dead-beat list in the Caldwell, Anthony and Medicine Lodge papers.

On motion, adjourned to meet at 10 o'clock A. M. Thursday.

THURSDAY—MORNING SESSION.

The meeting was called to order by President Miller, at 10 A. M.

The following communication was received and read by the President:

MEDICINE LODGE, KAS., February 27, 1882.

To our Friends and Co-workers, the Cattlemen, in Convention, at Caldwell, Greeting:

It is our sincere desire that you favor us with your presence at the meeting of the cattle men, to be held at Medicine Lodge on the 17th and 18th of March, 1882, and participate in the business proceedings, ball and banquet, on that occasion.

This done by order of committee.

W. F. HOUGHTON,

Secretary.

E. W. PAYNE,

Chairman.

Mr. Hewins moved that a vote of thanks be tendered the citizens of Medicine Lodge for the invitation. Carried.

Mr. T. F. Pryor then offered a resolution to the effect that a committee of three be appointed by the chair, to draft an address to the cattle drovers, embodying in it the resolution adopted by this Association, at its meeting in this city, March 17, 1881. The resolution was adopted, and the following named gentlemen appointed as such committee: W. E. Campbell, T. F. Pryor and W. S. Snow. The address is as follows:

TO TEXAS CATTLE DROVERS.

An Address to the Texas Cattle Drovers from the Southwestern Kansas and Indian Territory Stock Association.

At a meeting of the above named Association, held in the City of Caldwell, on the 1st and 2nd days of March, 1882, the following resolution, adopted at its meeting in March, 1881, was reaffirmed, and the undersigned appointed a committee to publish a suitable address in accordance therewith:

Resolved. That in order to prevent the spread of disease among the wintered cattle held on the Cherokee Strip, there ought to be established, and rigidly maintained, a proper line of separation and quarantine between through cattle and said wintered cattle; and that this convention recommend the establishment and maintenance of the following quarantine line, and request the active co-operation of the Cherokee Council and all stockmen driving through cattle into the Cherokee Strip, in maintaining said line. Osage Creek shall be the western boundary for through cattle; a line running east from Osage Creek, parallel with the northern boundary of the Nez Perces reservation, shall be the southern boundary for through cattle; the Arkansas River will be the eastern boundary for through cattle, and the State of Kansas shall be the northern boundary.

The undersigned, after careful consideration of the subject, do not deem any formal address necessary at this time, believing that every cattleman who will drive from Texas this year fully understands the situation of the cattle interests in the Territory

and on the boundaries of Kansas, and will, so far as he can, use all due care to comply with the request of this Association, and respect the rights of those holding wintered and domestic cattle in the Territory.

The Association feel satisfied that the country selected as a holding ground for through cattle is of sufficient scope to furnish ample grazing for all cattle that may be driven to the Caldwell and Hunnewell markets. We would also state that the grounds selected are well adapted for grazing purposes, having a reasonable amount of timber, abundance of water, and are within easy reach of the stock yards at both Caldwell and Hunnewell.

Further than stating the above facts, we do not believe it necessary to dwell at length on this subject, feeling assured that our through cattle friends will fully appreciate the spirit in which the above resolution was adopted and this address put forth.

In conclusion, we assure all driving to the above named markets that the members of our Association will do all in their power to make their sojourn among us both pleasant and profitable.

Respectfully,

W. E. CAMPBELL, }
T. F. PRYOR, } Committee.
W. S. SNOW, }

AFTERNOON SESSION.

Convention called to order at 2 P. M. by the Chairman.

The Committee on Inspection, by its Chairman, Mr. Johnson, offered the following report, and asked that the committee be discharged. Report read and approved, and committee discharged:

We, the undersigned committee, appointed at the convention of the stockmen of the Cherokee Strip, held March 1st, 1882, for the purpose of drawing up resolutions regarding inspection and assignments, recommend—

That this convention appoint Maj. A. Drumm, Jesse Evans and A. M. Colson, as a Standing Committee on Inspection, and give them full power to assess and collect in their divisions such amounts as in their judgment they may deem necessary to defray the expenses of inspection, not exceeding the sum of \$5 per 1,000 head, and turn over all amounts of collection to the Treasurer of the Association; the committee to select one from their number, whose duty it shall be to draw amounts on the Treasurer for all expenses appertaining to inspection.

That they shall have the power to employ one inspector for Kansas City, one for St. Louis, and one for the Cheyenne and other Indian Agencies.

That they shall confer with the Committee of the Medicine Lodge Convention and be empowered to make such arrangements and take such action as they deem necessary to the interests of this convention.

A. H. JOHNSON,
E. M. HEWINS,
BEN GARLAND,
J. C. PRYOR.
W. H. TIMBERLAKE.

The Committee on Round-ups, by its Chairman, Mr. A. H. Johnson, asked leave to submit its report and be discharged from further consideration of the subject. Report received, read and approved, and the committee discharged:

We, the undersigned committee, appointed at the convention of the stockmen of the Cherokee Strip, held March 1, 1882, on round-ups, herewith submit the following report:

We recommend that the Territory known as the Cherokee Strip be divided into three divisions, to-wit:

Division No. 1 to be composed of what is known as the Red Fork and Salt Fork country, including the territory north of

there to the south line of the State of Kansas, and thence west, including the Crooked creek and Sand creek country, on the State line, to the east line of Comanche County Pool, said division to begin round-up at the crossing of Redrock creek on the Arkansas City wagon road, and Abner Wilson to be appointed as captain of said division; the day of the meeting of this division to be decided upon by the committee appointed for that purpose.

Division No. 2 to be composed of the country lying south of Division No. 1, as far south as the Cimarron and west to the line of the Barbour County Pool; this division to meet to begin round-up where the Arkansas City wagon road crosses the Skeletoncreek, and John Miller to be appointed captain of said division; the day of meeting to be decided upon the same as in Division No. 1..

Division No. 3 to be composed of the country lying south of Division No. 2 to the North Canadian river, thence west to the western line of A. J. Day's ranch; said division to meet at Caldwell or the Chisholm trail crossing of the North Canadian river, and H. W. Timberlake to be appointed captain of said division; the day of meeting to be decided upon in the same manner as the other divisions.

And we recommend that the captains of above divisions be authorized to subdivide their respective divisions in such manner as they deem advisable, and appoint captains for such subdivisions, but to retain absolute control of the same.

We recommend that the following named gentlemen, viz: Maj. A. Drumm, M. K. Krider, Oliver Ewell, H. W. Timberlake, C. H. Manning and John A. Blair be appointed as the committee to set the time for each division to commence work, and such time shall be set on or before the 18th day of March, and shall be published in the Barbour, Harper and Sumner county and Darlington papers, and that said committee confer with the Barbour County Stock Association at their meeting on the 17th day of March, and solicit their co operation in the coming round-up.

Mr. E. M. Hewins offered the following resolution, which was read and adopted without a dissenting voice:

Resolved, That it is the sense of the stockmen and ranchmen of this Association, that the six-shooter is not an absolute necessity and necessary adjunct to the outfits of cowboys working on the ranges of the Cherokee Strip, and that we deprecate its use, except in extreme cases of necessity while on duty in protecting the rights of property against Indians and outlaws; but we deprecate the carrying of six-shooters in all cases while visiting the towns along the border.

CONDENSED PROCEEDINGS

OF THE

Southwestern Cattle - Growers' Association,

HELD AT

MEDICINE LODGE, KAS., March 17 & 18, '82.

The stockmen organized as the SOUTHWESTERN CATTLE GROWERS' ASSOCIATION, and elected officers for the ensuing year, as follows:

E. W. PAYNE, President.

D. A. GREEVER, DAVID STITH and F. B. HUNT, Vice Presidents.

W. F. HOUGHTON, Secretary.

W. W. COOK, Treasurer.

The Committee on Credentials were: Messrs. R. W. Phillip, Comanche county; D. A. Greever, Cherokee Strip; F. B. Hunt, Barbour county; Wash Mussett, Indian Territory; A. Watson, Medicine Lodge; D. Stith, Indian Territory, and Werk Randolph, Camp Supply, who reported seventy-two persons for membership, and fixed the membership at \$1.00.

The following resolution was adopted by the Association:

Resolved, That it is the sense of the stockmen and ranchmen of the Cattle Growers' Association of the Southwest, that the six-shooter is not an absolute necessity and necessary adjunct to the outfit of cowboys working on the ranges of this Association, and we deprecate its use except in extreme cases of necessity while on duty, in protecting the rights and property against Indians and outlaws. And further, we condemn the habit of carrying six-shooters by cowboys or others, especially while visiting any of the towns along the border.

The Committee on Round-ups reported as follows.

That the general round-up parties shall meet at the several respective places named below on the 7th of May, so as to prepare to commence work on the following day under the management of the captains appointed to take charge of these outfits. The ranges to be worked by these outfits take in the stretch of country lying between the North Canadian and the head of the Medicine Rivers, which is to be worked from the East to the West. This round-up party is to be divided into six separate divisions.

The first division on the south is to meet and start from Dickey's headquarters camp, seven miles west of Fort Cantonment, under the charge of C. F. Ploughman.

The second division to start from Ewell's headquarters camp, on Eagle Chief, under the charge of Nick Sherlock.

The third division to start from W. E. Campbell's camp on Sand Creek, under the charge of James Wilson.

The fourth division to start from Whitney's camp on Antelope Flat, under the charge of John Mosley.

The fifth division to start from Bratton's ranch, on Elm Creek, under the charge of Street Jones.

The sixth division to start from the mouth of Thompson's Creek, under the charge of S. H. Farrar.

The Committee to turn all moneys so collected over to the Treasurer of the Association. The committee to select one of their number, whose duty it shall be to draw on the Treasurer for all amounts necessary to defray the expenses of inspection. The Committee to have power to employ one inspector for Kansas City and one for the Indian Territory. The inspector for Kansas City to be employed from the 1st of June to the 15th of November, and the one for the Indian Territory from November 1st to May 1st.

R. KIRK, } Committee.
W. P. EWING, }

The following resolutions were passed:

Resolved, That all cows and calves be removed from the herd before cutting out the steers.

Resolved, That no herds be cut out and driven off the ranges without first having been inspected for strays.

Resolved, That we, members of the Cattle Growers' Association of the Southwest, do not think it just or our duty to go to the expense of gathering up all cattle held by parties within the jurisdiction of this Association other than those who have permanent ranches and co-operate with us.

Resolved, That we, the Cattle Growers of the Southwest, in convention assembled, do condemn the practice of turning cattle loose on the range without any effort to herd or take care of the same, and the practice of taking cattle on hire, where such increase of stock would infringe on the rights of adjoining cattlemen, as conduct unworthy any honorable cattleman.

Resolved, That all calves shall be branded in the marks of their dams when found on ranges not their own, and the same reported and published in the county papers.

Mr. Kirk moved that the present officers of the Association be made the Finance Committee on Brand Book. Motion prevailed.

Adjourned, to meet at Medicine Lodge, November 15th, 1882.
