DESIGNS AND ARRANGEMENTS IN FLOWERS.

THIS CATALOGUE IS ISSUED AS AN AID IN CHOOSING AND ORDERING FLOWERS. WHILE ADAPTABLE FOR LOCAL TRADE AND CUSTOMERS, IT ALSO INCLUDES ALL NEEDED INFORMATION FOR OUT-OF-TOWN PATRONS.

In lending their beautiful influence to lighten grief, the use of flowers becomes largely a matter of sentiment, their value appealing to our senses through the fitness of the forms employed, the perfect beauty and freshness of the flowers, and proper arrangement.

Our established reliability and experience in the exacting cut flower trade, gives assurance of an ability to meet all demands in the filling of any orders, even on short notice. It is conceded that we excel the arrangements of flowers suited to special uses, while we offer also, and practice, that experienced judgment on details that leads to a proper finish of every order.

The necessity of entrusting orders for fine flowers and designs only to florists of known taste and ability, is evident. We are "leaders" in arrangements of flowers, and though competitors may imitate, they do not in any strict sense, follow us.

Flowers in any form can be packed so they will travel perfectly by express, at any season of the year. We do this, and make no additional charge for packing.

Unless able to decide specifically what is wanted when ordering flowers, an idea may be given of their intended use; and by leaving the selection to us, we are almost sure to give satisfactory returns. We continually attend to many details of floral decorations thus entrusted in our hands.

Out-of-town flower buyers should remember that an established business, as ours, is in every way much better prepared to meet the wants of all purchasers than can be done by florists in small towns, who do only a small business.

Designs and Arrangements in Flowers.

A CATALOGUE: ISSUED BY

THE LIBRARY
OF CONGRESS

Flowers in any form can be packed so they will travel perfectly by express, at any season of the year. We do this, and make no additional charge for packing.

This Catalogue illustrates sixty-one arrangements of floral effects for funeral occasions, listed in many sizes, with prices. All necessary ordering details are given complete. The pictures are from photographic reproductions of actually made-up designs in fresh flowers, so the character of the flowers employed is accurately shown, also the important essential of the true appearance of finished work.

In flowers intended to serve as a balm to the bereaved at the last sad earthly rites of those dear to us, set forms that are complicated in character or design should be avoided. The subjects here shown include only arrangements that are graceful in style and shape, and sensible of expression and sentiment.

The code words preceding each size of design leads to correct ordering by telegraph or telephone at lowest cost. See special directions on using the same, on the next page.

See N. B. note about substituting, etc., on 3d cover page.

USE OF THE LISTED CODE WORDS IN ORDERING BY TELEGRAPH.

For making such plain to us, and reducing cost of telegraph or telephone orders for funeral designs, use of the code words given with the sizes of the arrangements in this Catalogue is recommended.

In telegraphing, each figure is charged the same as a word, so the latter should be used to the fullest extent possible.

The word "express" is not needed in a telegram, being understood. Excepting for business on the same day, the day of week should be used instead of "to-morrow," etc.

If desired that flowers be sent on a certain train, the leaving time from this town should be given. For leaving time after the hour, as for a train leaving at 5.10 or 5.30 etc., merely the word "five" will suffice.

Words also define the even dollar prices as listed.

AN EXAMPLE, showing a use of the code words may be thus:

If desired, on a Monday, that an order be sent on a train leaving here at 2.30 p. m. on the next day (Tuesday), and calling for a Standing Wreath in 21 inch size, the choicest, at price of \$14.00, and an elaborate Crescent encircling Lyre on stand, in 30 inch size, at \$28.00, the following words (as explained) would answer. "Wall" (for the wreath design in size desired), "fourteen" (meaning price of \$14.00 on same), "Ultra" (for the Crescent and Lyre design and size), "twenty-eight" (meaning price of \$28.00 on same), and the words "two afternoon" (giving afternoon leaving time of train), and "Tuesday" (the day on which the order is to be sent). Completed, this part of the telegram would read thus: "Wall fourteen, Ultra twenty-eight, two afternoon Tuesday," and only eight words making the message perfectly clear.

Adapted code words for further general directions to us on orders, follow on 3d cover page in "How to order," etc.

THE PRICES HERE GIVEN INCLUDE LOCAL DELIVERY, OR PACKING FOR EXPRESS.

HOW TO ORDER FLOWERS BY EXPRESS.

Flowers, carefully packed as we send them, carry for two or three days' journey by express.

State time flowers are wanted, either early or late. Give an idea of what you desire—quantity, quality, and price—that we may study your special wants. Measurements given refer to finished sizes.

To give us ample time, by ordering early, will be to your advantage. If we cannot supply your order we will reply at once by mail ; or, if notice is short, by telegraph.

If no time is mentioned, flowers go by first train after order is received.

All orders sent by express ; none by mail, being too uncertain.

Write items distinctly, in lines or paragraphs, or on sheets separate from the letter.

Owing to the expense of proper packing and shipping, orders for less than \$1.00 are not solicited.

IMPORTANT.

Orders by telegraph or telephone. When flowers, etc., are wanted the same day or next, it is best to telegraph or telephone. The following Cipher Code will be found useful, and saves cost on telegrams.

Wool—Send on afternoon train today.

Wonder—Send on early train tomorrow.

World—Send on afternoon train tomorrow.

Wave—Send today or on early train tomorrow.

Anticipate—Answer whether you can fill order or not.

Adjacent—If cannot send on train mentioned, next one will do.

Decorate—If cannot send all on train mentioned, send balance on next train.

Driving—No substitution allowable. Fill order as given.

Flocking—Have sent mail order ; if not yet received, send following at once, and cancel mail order.

Durable—White flowers only, for funeral purposes.

Dilate—Flowers for funeral purposes, at your discretion.

Flowers (or Cut Flowers)—Assorted colors and kinds are desired.

Hail—Prepay express charges and charge to me.

Snow—This is for a token, my card to accompany same.

TERMS OF BUSINESS, ORDERING, ETC.

References positively required from strangers desiring to open accounts. Telegrams and answers to same must be paid for by party inquiring or ordering. Send remittances by bank draft, post-office or express company orders, or registered letter.

N. B.—When not definitely advised otherwise with the order, we reserve the privilege, at our discretion, to substitute other flowers or designs of similar character or nature, instead of those ordered ; the uncertainty of supply or assortment necessitating this at times. The naming of a second desired choice of design or flowers is solicited, especially on short-notice orders.
