Patti Warren Says:

ATTENTION: Members of the Auto Club of Southern California - "Do you have any Westways? The Historical Section needs these magazines for research and displays. Call me on Station 25 if you have any old magazines that you would like to donate to the cause."

Historical Section - Victoria Reid (Patti Warren) in old fashion dress, is the new story telling lady at the Arboretum. On Tuesday mornings from 9:30 to 11:00 a.m. you can hear her tell stories of the California Indians, the gay rancho days, and the wild adventures during the Gold Rush. This is a special group under the direction of the Youth Education Section.

It is beginning to look as though the old Baldwin Station may come to rest on the Arboretum grounds if the contributions continue to come in. This will, indeed, be a wonderful addition to the Historical Center.
