

Sea Side 1

Sea

My dear Dr. Gray
I have a letter
seems to me of sufficient interest
to communicate to you. I saw it
from an excursion of a
Castine, Belfast & Compo
little steamer between Castine
I fell into conversation with a man
who proved to be Mr. Dan
nished at Nantucket. Of course
engaged in talk upon the
- & one of the first things he
me - was that he knew
locality of the Erica
or three miles away from
had visited. Does not this
the idea of the indigenous
plants? It seemed to me
we were needing, & so I
he made the statement to

Redfield, John Howard. 1885. "Redfield, John H. Aug. 6, 1885." *John Howard Redfield letters to Asa Gray*
