

has already commenced. We may
reasonably look for results equally grand.
Comprehensive - and complete. I believe
in the final triumph of American genius
and thought in the affairs of the Earth;
and in a gradual losing of reverence for
European thought and logic. which is now
growing among our scholars.

With great respect

Yours truly

My dear Sir

I received your
to my article in Nature
Sir John Lubbock's review
pleasure. You probably
answer in the number of
my reply in Aug. 19.

I hope this will be
it as I have no relish for
turning it. If he replies
