

Ebenezer near Buffalo Apr. 4<sup>th</sup> 1850

Your favour is received and likewise the parcel with the drawings. In regard to engrave the landscape or chart I would say because I am not so well practised in lettering I fear it might turn out not to your full satisfaction, therefore I would be ready to send you back the same and am rather willing to buy the ream of paper for \$10, which <sup>I think</sup> is the price for it, when you will please give me leave to do so.

I also would be glad to receive therat or the remaining drawing for Dr. Torrey's work.

Your very Respectfully

Obedt Servt
