

and De Candolle & they can wait
a little time.

I hope soon to learn that you have
found the *Polygala* in the box.
Cordially yours

Dr. Gray,

In his. your letter
21st inst are on hand
your part with first
papers at the bottom
all empty, not a
Polygala tenax, nor
one dependence I hope
that you did not come
to the bottom of the box
would have found a
for yourself & one for
I put some loose papers at
bottom of the box, then
parcel wrapped by itself
3 specimens of *Polygala*, 1
2 white flowered *Gynelos*
a California *Phacelia*?
but small California
not forget to put in
