

a set of Wright's Cuban Herbarium
— but I can not take them further along
as my usual approach ^{for this year} will be
exhausted in three or four months.

In a day or two I will send you
the order for all the Box Paper
that we can take.

Wilkes is helping me to have my
old report on the Pacific Coast Plants
of his Expedition printed without
delay! I have written to Kew
how injudicious this would be — & have
urged him to enlighten the "Joint Co-
Library Com. of Congress" on this subject
— A general account of the Collection
with a few notes on certain plants, with
descriptions of the plates is all that shall
be done. You must say so too
A happy New Year, & much the best of David Donisthorpe

Thanks for the present of Bellotti's interesting letter. It was sent up to
the College for me last evening. I.T.

New York.

Dear Doctor. I have
been down for Raffinesque's Fr. &
not been able to find —

As to Campanula,
Ludoviciana, I remember
one st. in which I drew
between it & C. S. and
(like the paper on Crocuses)
never published — Am
pretty sure it has been
where. In my Herbarium
of the former, seen
the label "This is your
I am sure it has been
Person under this name —

I stated in ~~this~~ paper
that the Specularia (a Campanula
led-Dimorphous, or rather poly-

Torrey, John. 1872. "Torrey, John Dec. 19, 1872." *Asa Gray correspondence*
