

United States Engineer Office,

Geographical Explorations and Surveys West of the 100th Meridian,

Washington, D. C., January 28th, 1876.

Prof. Asa Gray,
Cambridge,
Mass.

Sir:

Dr. J. P. Rothrock has been instructed to forward to you as a present from this office one set of 426 specimens of plants obtained in Southern California during the field-season of 1875. in connection with the operations of this Survey.

Be kind enough to furnish this office with a receipt therefor, specifying the number of specimens in each order.

Very respectfully,
G. M. Wheeler
Lieut. of Engineers,
In charge.
