

14/II 89.

My dear Professor Gray,

A new fascicle of the Flora  
Transil. has appeared and been  
forwarded to Cambridge; I  
take the liberty to send you the  
note with this. Another fascicle,  
much larger, will come out in  
about six weeks; then there  
will be a pause until the  
edition of the great Palaeo-vo-  
lume, which is already getting  
printed.

I hope that you and Mrs  
Gray are doing well in this  
severe winter and that your  
great work on the Compositae  
is prospering. At what time  
may we expect you here at

Wötting

Berlin? Your visit will give  
us all very much pleasure.

Believe me, dear Professor  
Gray,

Yours

very sincerely

A. W. Eichler
