By dear Geo. — I thank you sincerely for your long & interesting letter, yet I do not think it Scientific. At Aug. 27 & 29 I attended this meeting. — I agree with much of what you say.

I hope to get a report on expect an acting. I have a good deal to do, I can arrange in writing if the letter. I have many friends in the S. (2) whether at & he has many friends in the S. (2) whether you wrote me & to talk of the man who is in charge of the man of Washington. It was some feeling to the man of Washington. Again I say I hope to find we can manage. It is meant in writing on these points. I have 31 small letters which alone cannot explain it. With it being a

eminent with you. With it being a
