BUFFALO,

(Dec. 20th), 189

My Dear Mr. Watson:

To answer to your very kind note, of the 16th instant, which I have just received, I have to say that while I have no knowledge whatever of Judge Clinton's sending to Dr. Thurber a package of Mr. Wright's Cuban grasses for identification, I distinctly remember that he did procure a suite of Mr. W.'s Cuban plants. These, excepting the grasses, are now a part of the Clinton Herbarium, the property of the Buff. Soc. Nat. Sci. I therefore have no doubt that your conjecture as to the way in which the grasses came into Dr. J.'s hands ^{is correct.} If you know of no better way to dispose of them, we should be very glad to receive them, although I presume that the Society never had the legal title to them.

With the best wishes, Fremaine,
Prof. Sereno Watson,
Botanic Garden, Cambridge, Mass. } Yours &c.,
David F. Day.
