

New Haven. Jan 19, 1889

Saturday 11⁴⁰ P. M.

My dear Watson.

Here is the MS. I hope I have
not made it too long. Please arrange
capitals, italics, punctuation, &c., to suit
yourself. I should be glad to keep in the
note on the gemmæ of *Lycopodium* ^{or something like it} *Lelego*. because
those new Yorkers have made such a hullabaloo
over their marcs' nest.

I wish I could do *Astragalus* - but just
now I have too many irons in the fire -

That cursed dictionary takes all the
time I have to spare. & I am now only
on the initial S.

Yours faithfully,

S. J. Eaton.
