Professor Asa Gray Esq
Secretary of the American Academy of Arts & Sciences

Dear Sir:

I had the great pleasure to receive your favors of the 24th Novbr & 26th Decbr a.p. and am very thankful for the explanations in regard to the sendings by the agents of the Smithsonian Institution.

I cannot find fault with your having forwarded packages in this way, particularly as it is saving much expense & trouble, and should feel greatly obliged for your kindly making application to Mr Professor Henry in my favor, to appoint me one of the agents of the Smithsonian Institution. I think it much proper for this Society to have an agent in Hamburg, because this is the very place, the goods from the interior of Germany must pass to the transatlantic ports.

Occupied with the closing of my books I now have annexed an extract of your account current,

and not doubting but you will find it correct
I beg you to transfer the balance \$114.84
in my favor to new account in conformity.

Wishing you the accomplishments of all
your desires for this year and begging you will
preserve my your valued friendship and confidence
as hitherto, I sincerely hope, the new year may
offer more frequent occasions for an active
correspondence between us to indemnify us
for the dulness of the past.

Believe me, my dear Sir ever with the
same sentiments of esteem

your

very truly & respectfully.
