

505 Park ave. Balto.

11 Nov. 1890.

My dear Watson:

Can you send  
me any specimens for exami-  
-nation of Rhuschia (excluding  
R. chusciifolia); also any thing  
you have of Naclama. <sup>also</sup> Palicourea  
Rhuschia Mexicana seems described <sup>highly</sup>  
only in Adansonia X. 241., and  
that is not accessible for me.

If not too much trouble,  
please send me a copy of  
the description.

Yours faithfully,  
John Bonnell Smith
