U.S. POSTAL SERVICE
STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION
(Required by 39 U.S.C. 3685)

1A, Title of publication: *Arnoldia*. 1B, Publication number: 00042633. 2, Date of filing: 2 November 1989. 3, Frequency of issue: quarterly. 3A, Number of issues published annually: 4. 3B, Annual subscription price: \$12.00 domestic, \$15.00 foreign. 4, Complete mailing address of known office of publication: Arnold Arboretum, 125 Arborway, Jamaica Plain, Suffolk County, MA 02130-2795. 5, Complete mailing address of the headquarters of general business offices of the publisher: Arnold Arboretum, 125 Arborway, Jamaica Plain, Suffolk County, MA 02130-2795. 6, Full names and complete mailing address of publisher, editor, and managing editor: Arnold Arboretum, 125 Arborway, Jamaica Plain, Suffolk County, MA 02130-2795, publisher; Peter J. Del Tredici, Arnold Arboretum, 125 Arborway, Jamaica Plain, Suffolk County, MA 02130-2795, editor. 7, Owner: Arnold Arboretum of Harvard University, 125 Arborway, Jamaica Plain, MA 02130-2795. 8, Known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities: none. 9, The purpose, function, and nonprofit status of this organization and the exempt status for federal income tax purposes have not changed during the preceding 12 months. 10, Extent and nature of circulation. A, Total number of copies. Average number of copies of each issue during preceding 12 months: 5,000. Actual number of copies of single issue published nearest to filing date: 5,000. B, Paid and/or requested circulation. 1, Sales through dealers and carriers, street vendors, and counter sales. Average number of copies of each issue during preceding 12 months: none. Actual number of copies of single issue published nearest to filing date: none. 2, Mail subscription. Average number of copies of each issue during preceding 12 months: 3,546. Actual number of copies of single issue published nearest to filing date: 3,576. C, Total paid and/or requested circulation. Average number of copies of each issue during preceding 12 months: 3,546. Actual number of copies of single issue published nearest to filing date: 3,576. D, Free distribution by mail, carrier, or other means (samples, complimentary, and other free copies). Average number of copies of each issue during preceding 12 months: 100. Actual number of copies of single issue published nearest to filing date: 100. E, Total distribution. Average number of copies of each issue during preceding 12 months: 3,646. Actual number of copies of single issue published nearest to filing date: 3,676. F, Copies not distributed. 1, Office use, left over, unaccounted, spoiled after printing. Average number of copies of each issue during preceding 12 months: 1,354. Actual number of copies of single issue published nearest to filing date: 1,324. 2, Return from news agents. Average number of copies of each issue during preceding 12 months: none. Actual number of copies of single issue published nearest to filing date: none. G, Total. Average number of copies of each issue during preceding 12 months: 5,000. Actual number of copies of single issue published nearest to filing date: 5,000. 11, I certify that the statements made by me are correct and complete. Peter Del Tredici, Editor.
