My dear Mr Gray

I am editing for the  
Peace Society, Thomas Mortimer's  
New English Calendar, a book  
written in 1634, and describing  
New England before the settlement.  
In it I find a very short  
chapter on herbs of the country.

The subject is one that I know  
absolutely nothing about. I en-  
close you a galley-proof of the  
chapter. May I ask you, in

cause of good editing, to write  
a few brief notes, giving the  
scientific and present popular  
names of the various herbs men-  
tioned? -

By so doing you will greatly  
oblige

Yours very sincerely

Charles F. Adams Jr
