

And, Nov. 4.

Göttingen, 11 Aug. 1853.

Dear Sir,

Let me thank you for the loan of your collection of several of your publications, especially of the Part 1. of the *Flora* *Wrightiana* and at the same time let me oblige you by promising further studies of this kind. I beg you to accept my sincere thanks and I <sup>should</sup> wish to send you some contributions to the systematic of European plants  <sup>lately published</sup> as well as my *Reise Jahresbericht*, if I had only an opportunity. If you could name me any merchanthouse in Germany which would take care of parcels destined for you, I might communicate hereto dried plants, dried rare European ones, or some original specimens especially

of the Flora series originating from late  
Mr. Lushmore's collection, and perhaps it would  
be convenient to you to exchange them for  
American ones.

I remain, Sir, respectfully and  
faithfully Yours  
Agnes Chase.
