

Copy.

Cambridge, Oct. 20. 1857.

My dear Dr. Fitch,

- So your parcel must go by the Bremen steamer to leave at the end of this month from New York.

You have the fullest set of Wright's plants, including some unique specimens and added many that can only be 0 or 4 sets. Only 13 sets were made. Yours runs to 986, Hooker's 920. Wright will do little more than recoup his expenses.

- At £. 2. The hundred your set amounts to

£. 19. 15. 0.

Deduct 1/2 3. 12.

£. 15. 16. 0.

I will besides defray the expense of sending to New York and shipping there.

Then you have to pay me for Fowler #36 - say in England at 4, 8/6, say — — — — —

£. 7. 17.

15. 16

£. 23. 13

- I regret that the parcel could not be sent earlier, but I hope they will reach you promptly by the middle of the month.

Ever yours, cordially

Asa Gray.

In fidem cop. N. Fitch.
