

Beldair near Yrondon^g.a.

My dear Mr Gray

I found your letter at Kirschbuhl,
and so I was informed that
you will remain 8-10 days at
Genera where I take the liberty
to address ^{you} a little parcel for my
friend H. Wilson at Barrington;
pray to forward it by the intermission
of Mr. Gen. Lauder, to whom you
will be so kind to present my hearty
respects.

According to your indication I shall
at Nola Woonher & Fick Rotterdam
the premises of the Natural Society

Schumpfer Aug 9th

Mr. Mr. Gray

of the thought accompanied with
a parcel for Mr Sullivant at
Salem. I am very happy that
this exchange will give occasion
to open significant intercourse
between Newburgh and Boston and
for my own part to find in it
an opportunity of entertaining
relations with yourself.

I hope that the health of Mrs
Gray is now good enough to permit
you to undertake your travels
in the important Mont ^{Blanc} valley and
so highly beautiful Alps of the
Western Oberland.

With my faithful regards

Yours Wm. Whiting
