

Wilmington Nov. 15th 1876.
My Dear Mr. Gray

The drawings are
here all right and are beautifully
executed.

I hope to go to Phila. to-
morrow & will make inquiries in
regard to the matter.

If though, they can be as
well done in Boston, it strikes
me that is the place to have it
done. I will cheerfully bear the
expense.

You will have the dis-
claim estimate and come inform
me and I will report to you
after I find out about things
in Phila.

Thanks for Haberman

rotundifolia received a few days since.

Before we went South I wrote
to Mr. Ball asking how I should
send the first parcel; but I do
not hear from him. I have now
ready to send the Palmar case, and
about 400 species California plants,
* Lucide, and in addition sending Colum-
do species.

Ever truly Yrs
Wm. M. Canby.

* also a good many Guadalupe Island
plants.
