Wilmington March 16 1880.

My dear Dr. Gray, Your note at
Lans and the books also. I have
sent word to Commins to send in
for his copy.

I enclose the amount due
for both (\$12.50) and desire to express
my sincere thanks for the aid you
have given us.

We missed you much
at the Am. Phil. Society's dinner
last evening. Your note was received
with much approval and much re-
gret was expressed that you could
not be present. It was a pleasant
affair and handsomely gotten up.

The botanical fraternity were thinly
represented - only Porter, Dr. Greene and

myself present.

I send a paper the editorials
of which may be interesting.

Very truly Yrs,

Wm M. Laury

If I hear until tomorrow I shall be
49!
