Professor Henry Watson
Cambridge Mass.

Dear Sir,

Mr. Williams

has handed me your note of 16th
inst. giving prices of your own and
Gray's botanical papers.

I desire to secure a complete
a set as possible of both, and
am especially interested in
papers pertaining to Western flora
for forest trees. I have Sargent's
"Scientific Papers of Asa Gray."

These are wanted for my private
library and I should be under
great obligations for as complete a
set, both of Dr. Gray's papers and your
own, as you may be able to collect.

Kindly forward by Am. Ex, or by
mail, and I will remit on
receipt of bill.

We should be pleased at any
time to assist in any line of
work that may require Western aid
which you may undertake.

Very truly yours
Charles H. Keffer
