

Univ. of Queen's Coll., Kingston, Can.
Nov. 4, 1859.

Dear Sir,

Many thanks for your
kind and obliging letter. I shall
be glad to receive the set of
Lindheimer's Texan sp. of B. on
speck (315 sp.), if you will be so good
as send them per Express Co.,
labelled outside "Spec. of Nat. Hist. only,"
to save trouble at the customs.

Please at sometime say where your
"Pl. Lindheimeriana" are published. I see
no likely references in "Walpers" (so far
as the numbers have reached me) except
to Pl. Wright. in Smithsⁿ Contb. iii.

Yours truly
Jas. G. Lawson
