Dr. M. L. Fernald  
Gray Herbarium  
Cambridge, Mass.

Dear Dr. Fernald:

I have found some more lists of flora of Mt. Katahdin among the papers of Mr. Fred. P. Briggs. These may or may not be of some use. I am glad that the others were of some value. I always hesitate to throw anything away that is outside my field, as I never know whether I am throwing away something that might be of some value to other workers.

Sincerely,

*Douglas S. Byers*
