

If the Government send
out an expedition to Henderson's
Bay next year I expect to go,
If they do not I want to
carry out my design of
going to Lake Superior for
two months. Could any
subscribers be obtained in
Boston?

I send the parcel by
New York to the Address
of Addison Brown Esq
233 E. 48th St. Our Post
Office authorities allow
nothing over 8oz. to pass
to the United States so it was
not safe to send that way.
Yours truly
John Macmillan

My dear Sir,

I this day forward to
New York with instructions
to forward at once to you
a small parcel containing
both forms of Mammals.
I send the last specimens
I have. I also forward a
number of other forms from
the west coast which may
be interesting. I also send
a few other forms with the
localities given. Should there
be any thing interesting
drop me a line.
