Mr Davenport

Decr 21 1876

Dear Sir

I have engaged
this afternoon in the attempt to
rename my *Notholanas* and *Cheilanthes*
and give it up in despair -

They run so into one another
and are so various in form on the
same plant that I can't decide.

Will you lend me a set of
fronds which are correctly named?
I will take good care of them
and return uninjured -

Yours R.

J. W. W. W.
