

and Nov. 2. (in the
Buxey Becking to my friend
December 20th)

Dear Sir,

The somewhat
lengthened travels of
this year have, to my regret
caused your letter to remain
hitherto unanswered.

I shall be happy to have
the plants you mention,
viz: the set of *Musci Lichenis*,
published by Mr. Sultman,
and the *Lichenes* by Mr.
Tuckermann.

I am sorry, you have
not named any plants,
you might wish from
my collection.

I have

An entire collection of
Martius, *Plantae Brasilicae*
+
(of every species double
specimens -) and I should
have much pleasure to
forward you a set.

I remain, Sir, with
great regard

Yours truly.

L. H. Bailey

Büse, L. H. 12-20. "Büse, Lodewijk H. Dec. 20 [no year]." *Asa Gray correspondence*
