

To Henry A. Purdie
from his botanical friends -

The years roll on, like a strong
oak you stand,
Amid the woods, gazing on birds
and flowers;
May long for you your yearly rings
increase,
May long your life be blessed
by sun and showers.

Now we, who love you, give
our friend this book,
In which 'tis safe for all but
names to look.

1840 ~ December 16 ~ 1910
