

Wilmington Del  
May 6<sup>th</sup> 1890.

My Dear Mr Deane

In the arrangement of  
Pringle's plants, I am stuck as  
to the position of some of the  
new Genera, and your proximity  
to head quarters, and ready access  
thereto, leads me to write to you  
for information. Will you then  
please inform me where the fol-  
lowing belong? See over -

Very truly &  
Edw<sup>d</sup> Sattall.

| Genus          | Nat ord      | Position        |
|----------------|--------------|-----------------|
| Largentea.     | Rutaceae     | Kosimora        |
| Prionosciadum. | Umbelliferae | near Angolia    |
| Jaliscoa.      | Compositae.  | next Verumia    |
| Piptothrix.    | " "          | near Eupatorium |
| Pentarraphis   | Gramineae.   | next Smetona    |

Tatnall, Edward. 1890. "Tatnall, Edward May 6, 1890." *Walter Deane correspondence*
