

Wilmington Del
12.31.1895

My Dear Mr Deane

Have you a
specimen or two of *Lagittaria*
tener to exchange for *Lagittaria*
longirostra? or *L. graminea* or
L. rigida? I find *L.*

longirostra prefers spring water
and has several scapes at times.

Respectfully
Edw. S. Atwell

Tatnall, Edward. 1895. "Tatnall, Edward Dec. 31, 1895." *Walter Deane correspondence*
