

Buddleia variabilis

103 SOUTH STREET
NORTHAMPTON, MASS.

My dear Mr. Deane -

I saw a new flower
this morning at the florist -
(new to me of course.) And
I told the man to send
one off to you. It is back
by special delivery; he told
me it was a Buddleia -
and was brought from China
by a Mr. Wilson, as I

Wadsworth him, who was
collecting for the Annual
Autograph - do you may
have seen it - but isn't
it beautiful? I hope I
am giving you the
first view of it - but
I doubt it -

I am sorry I did not
mark the short article
in the paper below -

It was rather Egotistical to
send it any way -

When do you go to
Shelburne?

Put my love to Mrs.
Deane and yourself,
I am sincerely yours -

Eriny Hitchcock Long,

May 25. 1915

Terry, Emily Hitchcock. 1915. "Terry, Emily Hitchcock May 25, 1915." *Walter Deane correspondence*
