Mr. Geo. E. Davenport,

Dear Sir, -

I was
glad to receive your note and
learn of your decision. In
issuing my call for the meeting
June 10 (3 p.m. at Mass. Inst.
of Technology) I will say: -
"There will be exhibited about
fifty views taken in Middle-
sex Fells by Mr. George E.
Davenport. A sketch map
of the Fells will be drawn

upon the board, and points of interest, - hills, ponds, woodpaths, &c. will be pointed out."

I will draw the map. If you are present, you can say what you choose, and locate the places where some of your views were taken. If you are not present, I can locate some ^{of your views}, and point out nearly all the points of interest in the western half of the Fells, and many in the Eastern.

Several members of our Club are familiar with the Fells and may say some-

thing, viz. Mr. Eliza Wright, Mr. J. Y. Chubbuck of Roxbury, Prof. C. E. Fay of Tufts College and others.

Hoping that you may find it convenient to be present. I am

Sincerely yours
Rosewell B. Lawrence

P.S. The photos, will be ready Thurs. evening.

I suggest that you send me for the meeting some of the cards on which you advertise your photos.
