

Cambridge, Mass.
Sept 30-1895

Dear friend Collins.

Let it back safe.

Thanks - You needn't have enclosed stamps. I am only too ready in my small way to push on the cause - The two errors are noted - I am very glad you detected them, I have changed 93 to 94, and I have erased 1406. The var. should be included under the sps. If written it should be 140a. It has been quite a careful job, to insert corrections. The List is invaluable to me.
Ever W.D.
