

My dear Mr. Collins,

The leaflets came this morning, and I thank you very much for them. I'm sure they will prove very interesting and helpful.

Mr. Dunham has already brought me home a box of the gummed wafers. I like the idea.

If you have not a specimen of *Polypodium gracile* from Massachusetts, I would be glad to share with you. Mr. Dunham came across a

small clump fruiting in the 166-
den swamp. Mr. Chamberlain
verified it for me, and I'm not sure
but that he asked you to look it over,
too. But I might not have sent him
enough to divide with you.

Mr. Dunham joins me in best wishes
for the New Year.

Very sincerely yours
Olyahete M. Dunham
