

Plymouth, N.H.

I have just
received a complete list of
Faxon's Nt. Sphopra
and he includes all you
send me and some others.

S. Russacii +
S. Hamstorffii, species
are not included but many
varieties of these species.

I should very much
like the references for
Rhabdovicia dentatula

+
Barbula gracilis. I expect
the later is from Faxon's
Manual. Thanking you
for your favors, I remain
Sincerely yours,
A. S. Peck.
