

Willoughby Lake House,

MRS. N. R. RICHARDSON, Prop'r,

WILLOUGHBY, - VERMONT.

Good Livery in Connection.

Willoughby, Vt., 6 June 1898

Dear Mr. Collins, we arrived here at 6 P.M. & your little digger came by mail at 7. It is quite fancy! & the case as unique as everything you fashion. I shall use it many times. Thank you. It has been dry dusty weather here while we have been soaking in Boston. I hope the dry weather will continue for another week. Mr. Groat came to the train at Plymouth just as it was starting off, & just had a hand shake with me on the back platform. Hastily but "thankfully" yours
