

— OFFICE OF —

Geo. W. Letterman,  
County School Superintendent,  
ST. LOUIS COUNTY.

Alton, Mo. Jan. 1891.

Dear Sir,

I am now engaged in overhauling my herbarium, and I find that I have many duplicates of interesting species collected here and in the alpine regions of Colorado, besides some collected in Ark. and Texas and quite a number procured through exchanges.

Just as soon as I can ascertain definitely what I have in duplicate, I shall prepare an exchange list.

Would an exchange be agreeable to you?

Very respectfully

Geo. W. Letterman

To
