DEPUTY HEAD AND DIRECTOR,

MUSEUM AND OFFICES, SUSSEX STREET OTTAWA.

Jan. 10th 1891

Dear Mr. Collins

Your card has just reached me. Take
off all you want from the specimens sent.

If you send Hinckley a specimen ask
him squarely for authentic specimens of E.
macconni & ciliata. Holzinger and Hinckley
are working amicably together.

I confess that I am not satisfied with
the way the matter of these species is left and
suspect these species are in question.

Very truly yours
John Macconn
