

GEOLOGICAL SURVEY OF CANADA,

DEPARTMENT OF MINES.

A. P. LOW, DEPUTY MINISTER.

Nov. 28, 1907

Dear Prof. Collins

Your note telling me that your would be a subscriber to the new series of *Musci* has reached me and I thank you sincerely.

Mrs. Britton is first on my list and you are second so that your specimens will be practically the same.

I am sending you Parts VI + VII of my Catalogue of Canadian Plants so that when the specimens are received you can place them if they were gathered before 1902.

You will notice that many corrections have been made since my first series was issued. The present one is as near perfect as we can make it. It may be February before I can have a Century ready.

Very sincerely yours
John Macoun
