

San Luis Obispo, Cal.
March 29th 1887

Mr. J. S. Collins,

Dear Sir,

I have at last
at odd moments - succeeded in put-
ting up 70 species of plants. I hope
the package will meet with your ap-
proval, though I have so hastily pre-
pared it - Am sorry to have put
in some unnamed specimens, but
now I have not time to identify them.
You probably will have no difficulty in
doing so.

I will send another package on
the receipt of the Catalogue of Mosses.
I have a few exotic ferns in dupli-
cate, if you would like them!
Yours in haste.

W. W. Niles.
