

Prov. May 8, 1896.

Prof L. M. Hedderwed. Auburn Ala.

Dear Sir: When the 2 decades of
Hep. Amer. came to hand recently
your bill (or memorandum) was turned
over to the college for print. with
the note "Probably ordered by Mr.
Bennett but ~~if~~ order approved by
us" A day or two later it was
returned to me by R. S. Andrews, with
the note "Before buying this it will
be necessary to know if it
is a part of a permanent order" &c.
As I did not order I could not
answer, hence my ^{letter} ~~query~~ to you
I presume the Pres. wished the information
in order to know from what fund
it should be paid, for in some cases it
is very essential, We do not
wish it understood that we don't
want the set. - quite the contrary
Sincerely

D. F. C.
