

78 Orange Street,
Brooklyn, N.Y.

Apr. 22, 1901.

Dear Mr. Collins,

Many thanks for the
beautiful specimen of *Licanum*
fuscescens Eatonii. Perhaps you would
like a small specimen of the Southern
Leucobryum in exchange. I am sorry it
is not larger. Ms. Shreter gave me
what she did not wish to keep for
herself, but she did not collect in
large quantities. It happens, however,
to be in good fruit.

Very truly yours,
Edith A. Warner.
