Miss M. B. White

Grand View Ho

Mt. Wachusett. Mass

Your letter came
to hand in due season also the
Torrey Bulletin and the lily.
The latter was a trifle wilted but
I have succeeded in making
a pretty fair specimen ~~of~~
~~it~~, ~~the same~~ of it. ~~It~~ It is
some what interesting inasmuch
as ~~it~~ the flowers do not seem
to answer to the Turk's cap nor
the leaves to the Canadensis, lily.
Possibly it is a transitional
form. I have not yet ^{found time to} critically
compared it with authentic speci-
mens. as I ~~shall~~ wish to do.
before saying anything more definitely
than I have. If it proves to be

anything very different from
either species mentioned ~~with~~
~~enclosed~~ I will inform
you if you wish

With kind remembrances
& best wishes to all my
~~friends~~
~~acquaintances~~ at the Grand
View. Friends
I remain.

Very respectfully
J. Z. C.
