

London & Kew.

Aug. 23. '50

Dear Wright

I want to hear from
Dr. Francis Dana - who
has charge of Library &c.
of American Academy - about
Academy's things. As he is
never strong and sometimes
unwell - and has not responded
to my hint that he should
communicate with me, I
will ask you to hand this to him
and receive & send me the answer
useful - unless he prefers to
write to me direct - in which
case give him the address - i.e.
Royal Gardens, Kew, near London.

Sincerely

Has the Cambridge
Philosophical Society sent
any publications this year, or
not. If so what.

Mr. Charles Wright

I have just written to Dr. Gottsche
about the Skeptical

But enclosed for Mr. S. Sullivan
Columbus, Ohio in a thick
envelope & post to him.
Last P.S.

Here is a bill for Station, in the
note I have written. Please read it and see
what I mean - and enclose, & send with it a
P.O. money-order for \$5.25 to settle it. - and
see that, after date said Station comes to Cam-
bridge - for your reading if you care for
such. May

Or any letter, and if so what
contents?

Furnish me with a
statement of what of our
publications have been supplied
to Cambridge Phil. Society,
- & when & how.

The Secretary of the Society
wrote me last fall that he
found they had only some old
volumes of our Memoirs, if I re-
collect aright.

If I am to take up this mat-
ter again, I shall want these
data to go upon.

Ask Dr. Dana, if any
thing has come to hand
from the Institute of
Venice

Ever Yours
Asabany
